

Financial Solutions Tailored to Your Needs

Our Marcellus Shale Team of professionals has the experience and expertise to provide you with effective financial solutions. We have a full array of products and services tailored specifically with your needs in mind.

Gas Lease CD - Our 90 Day Gas Lease CD offers you a premium interest rate while you take time to make other investment decisions. Our 12 Month Gas Lease CD allows you to secure a premium rate for a more extended period of time, so you earn reasonable interest in a risk-free environment. To take advantage of either of our premium Gas Lease CDs, simply arrange a meeting with a member of our Marcellus Shale Team.

Tax Planning - A change in income means a change in tax status. This is especially true when you receive lump-sum bonus payments or earn significantly more income due to royalty payments. Plan now to protect your income from unnecessary tax impact.

Estate Planning - Significant changes in assets or income signals a need for estate planning adjustments. You may want to take steps to preserve your wealth and transfer it to the next generation. Now is the time to ensure that your estate is structured according to your desires.

Retirement Planning - It is always wise to reassess your current retirement plan when an income shift has occurred. You will want to maximize savings and investment opportunities when income is at its peak.

Insurance Assessment - A comprehensive assessment by an Insurance Specialist is always advisable when you have encountered changes in income, assets or land value. Our Insurance Specialist can help you determine appropriate levels for life and mortgage protection.

Private Banking - First National Bank can help you maintain life balance by providing personalized, flexible banking services that suit your schedule and help you achieve your goals.
